Kenya Coast National Polytechnic (KCNP) is a Technical and Vocational Education and Training (TVET) institution with a mandate to offer technological based programmes ranging from certificates to degrees, with special focus on TVET. It provides access to further training and education to TVET graduates, as well as undertaking research and innovation.

KCNP was competitively selected by the World Bank and Government of Kenya to be a regional flagship TVET Institution in January 2018 under East Africa Skills for Transformation and Regional Integration Project (EASTRIP). KCNP is therefore developing a regional centre of excellence in Marine Transport & Port logistics, a centre which aims to develop competent graduates for the maritime sector
